## General Instructions

- This laptop pass is a pre-requisite for entry of asset into the cognizant premises.
- This laptop pass is valid at all Cognizant locations.
- If you forget to bring your laptop pass, please declare the laptop details at the security point.
- If you misplace the laptop pass, please report immediately to your local IT-Infra/Admin/GIS.
- If there is any change in the asset to associate tagging, please reach out to your location IT-Infra and get the pass re-printed.
- If any details written manually, the pass will be considered as invalid.
